Rome (RM) - Farnesina

In the heart of the Farnesina district, on one of the area's most sought-after and private streets, we offer for sale an elegant fourth-floor apartment with elevator. The apartment features spacious, bright interiors and a well-organized layout.
The property opens onto a grand entrance hall that leads to the double living room with dining area. The eat-in kitchen, adjacent to a comfortable dining area, also features a furnished veranda balcony with storage and a laundry area.
Well separated from the living area, the sleeping area hosts three large double bedrooms and three bathrooms, one of which is currently used as a walk-in closet and can easily be restored.
A pleasant semi-perimeter balcony runs along much of the apartment and enhances its views.
The property includes a cellar of over 25 m2, entirely mezzanine-level, and an uncovered condominium parking space within the reserved courtyard.
The building recently underwent a major renovation project with the 110% Superbonus, which improved its comfort and energy efficiency.
The location, just minutes from Ponte Milvio, Foro Italico, and Lungotevere, with services, schools, and public transportation nearby, combines residential tranquility and convenience.
